

# WorkReady

**STUDENT WORKSHOPS**  
Sponsored by Elk Grove Chamber of Commerce

Capital Academies  
& Pathways

Our Elk Grove Chamber is proud to announce the Chamber sponsored Work Ready certificate program for EGUSD high school students.

We hope that you will agree to participate in this innovative program by completing the form and returning it to the Chamber office. Once received you will be sent a “Work Ready” decal to be displayed in your place of business. The display of the decal will signify to others your participation and your willingness to grant an interview to a “work ready” youth should an opportunity arise in your business. Displaying the decal does not guarantee a position to the applicant; only a first interview. There is no cost to you.

Your business will be listed as a participating business on the Chamber’s Workforce Readiness website page and your business opportunity would be posted through the school district’s publication vehicles as appropriate.

**YES!** *I would love to be a part of this great program!*

I agree to guarantee graduates of the program an interview should I have an appropriate position open and to display the decal in my window.
