

BUSINESS REFERRAL GROUPS

Agreement

I. Mission

To generate business opportunities for Elk Grove Chamber members through building and strengthening professional relationships in a non-competitive and mutually supportive environment.

II. Organization

The Business Referral Groups is a program administered by the Elk Grove Chamber of Commerce for the sole benefit of its membership, and as such, is subject to such regulation as deemed appropriate by the Chamber's Board of Directors.

- A. Actions of the group are to be communicated to the Elk Grove Chamber in a timely manner. Statistics are to be sent monthly to the Chamber staff coordinator.
- B. All applications for Referral Group membership must be received by the Chamber office with payment prior to acceptance to a Referral Group.
- C. The Elk Grove Chamber and the Referral Group Leadership team will work together to enforce these guidelines.
- D. Any disputes regarding these guidelines are to be submitted in writing to the Elk Grove Chamber office in a timely manner.
- E. The Elk Grove Chamber reserves the right to revoke membership or disband groups as needed for the overall success of the program
- F. Membership may be revoked by Chamber staff for failure to comply with the policies and/or the Code of Ethics of BRG

III. Groups/Schedule

All groups meet weekly at the Chamber Office at a regularly scheduled, mutually convenient time established with the Chamber staff coordinator.

IV. Member Qualifications

- A. Only one person from any given professional category or classification is permitted to join a BRG. Members must represent their (1) "Primary" category representing 70% of their business and not a part-time business. In order to represent a category in a Referral Group the member must be listed under that category with the Chamber.
Members who wish to change their professional classification or category must submit a new membership application and obtain approval from the leadership team prior to giving an infomercial or presentation regarding the new classification or category and the business must be listed under the same category for its Chamber membership.
- B. Any business/organization representative seeking membership in a Referral Group must:
 1. Be an official representative of a business/organization which is an active and current member in good standing of the Elk Grove Chamber of Commerce.
 2. Be deemed qualified and cleared of conflicts by the Chamber's Referral Group coordinator.
 3. Be presented to and approved by the respective group's Leadership Team to ensure there is no conflict among the current membership.
 4. The Leadership Team, in consultation with the Chamber Referral Group coordinator, will have final determination on potential conflicts.

5. A member who wishes to transfer from one Group to another must submit a new membership application to the leadership team of the new Group. If approved for transfer, all fees are transferable.

If a member perceives a conflict regarding the classification or category of a prospective member, the member must file a concern with the Chamber staff immediately. This should be done before a prospective member visitor is approved for membership in the Group. Staff will assume the consent of all Group members if no concerns are filed in a timely manner, i.e. before the member is officially accepted to the Group.

- C. A representative of a Chamber member company may only join one group. However, a member company may have up to two (2) representatives sitting in different groups at one time.
- D. A member cannot belong to a second Group or any other group that allows only one person per profession and/or whose primary purpose is to pass referrals to one another, because doing so substantially reduces the member's commitment and availability to the BRG Group members.
- E. In rare instances, the Leadership Team or staff may deny the membership of any potential member based on past performance in another Chamber Referral Group and/or a negative experience(s)

V. Member Responsibilities

- A. During each quarter, a member is only allowed three absences with a substitute but only one absence with no substitute for scheduled meetings. A Company representative may attend in the Member's absence, but the intent is for the Member to establish relationships in the group.
- B. During each month, bring referrals for other members. Guests who are potential members of the Chamber or the Referral Group count as a referral.
- C. During each month, complete Face to face meetings with other members of the group. Meetings with members of other Referral groups are also allowed.
- D. Respond to all "hot" referrals within 24-hours (see below for definition of hot referral).
- E. There are no leaves of absence other than for medical or military circumstances. Under those circumstances, a member may take up to eight weeks of leave with the Leadership Team's prior approval if the member's BRG dues are paid up to cover the absence and the member strives to send a long-term substitute during their leave. A member will be subject to removal from the Group if the absence exceeds eight weeks, is not previously approved, or if the member does not send at least one substitute during the period of leave.

VI. Member Expectations

- A. Be punctual, as respecting the group's time will establish credibility
- B. Bring at least one referral per quarter
- C. Be prepared to briefly introduce yourself (30-second commercial) and your business/organization and share what is a good referral for you.
- D. Be prepared to thank other members for referral resulting in closed business or potential business. Closed business will be reported to the group leaders.
- E. All Members are encouraged to give a 15-minute presentation (including Q&A) on your business/organization at least once a year. To be scheduled by group leadership.
- F. Do not wait until meetings to present referral, but always advise your group record keeper to ensure proper credit and documentation.
- G. Bring an ample supply of business cards to each meeting

VII. Attendance and Punctuality

The Leadership Team may issue warnings to members who are habitually tardy or leave early. If the problem continues, the member may be subject to removal by the Chamber staff.

- A. Substitutes
 - 1. Consider the following people as substitutes: customers, clients, patients, friends, family and employees.
 - 2. If there is no classification or category conflict with another member of the Group, a substitute can mention their business but primarily promote the business of the person for whom they are substituting.
 - 3. The vice chair or secretary should be advised in advance if a member is sending a substitute to a meeting. The Group Greeter should arrive early to greet substitutes and guests.
 - 4. A member should have a substitute come when they are absent not replace them on a continuous basis. Substitutes may give a member presentation that focuses only on the Group member's business.

VIII. **Officers**

A. Terms

Officers shall be elected by the respective groups by the last meeting of the year based on the inception date of the group and begin serving for a one-year term the first of the month following the anniversary date of the group each year. During their respective terms, each Leader's referral group membership will be complementary. Leaders of all active groups shall meet as a group at least once per quarter. Substitutes for leaders do not assume Leadership position.

IX. **Accountability**

- A. If a member representative should leave his/her Chamber member business/organization, the business/organization has 15 days to propose a replacement representative or forfeit the exclusive category position in the group. The proposed person must be approved by group leadership.
- B. Attendance is critical to the group. If a member cannot attend, they may send a substitute (not a member of their own Group) to the meeting. This will not count as an absence. A member is allowed three absences with a substitute in any six month period. A member may be subject to removal from the Group if absences and substitutions become excessive.
- C. Members are required to bring bona-fide referrals and/or visitors to their Group meetings. Members are expected to strive for regular referrals to their fellow Group members. Each Group may establish minimum referral requirements by which members maintain good standing in the Group.
- D. If a member does not meet performance expectations in ANY quarter, the member will be immediately subject to review by the Leadership Team. In addition:
 - 1. When a member has missed two (2) meetings, he/she will receive a notice from the Vice Chair.
 - 2. In the event that a member is not performing according to the expectations of the Leadership, in a quarter, he/she will be subject to review by the Leadership Team and may be dropped from the group.
- D. Dropped members may rejoin the group only after review by the Leadership Team.
- E. Chamber staff may, at its sole discretion, place a member on probation as to the member's participation in BRG. During this period, the member may not give an infomercial or presentation in any Group of BRG.

X. **Guests**

- A. Prospective Chamber Members may attend one (1) meeting of a Referral group at no charge and a second time for a (1) time fee of \$20. The fee will be applied to the group membership cost should the visitor decide to join the Referral Group within a year.
- B. Visitors may attend a given Group's meeting up to two times

- C. Chamber Membership, including full payment of Referral group dues, is required before attending a third meeting.

Visiting Groups

- D. Members visiting other Groups should announce that they are from another Group at the beginning of the meeting.
- E. Visiting members must not do or say anything that competes with a member of the Group they are visiting.
- F. Before visiting another Group, the visiting member should call the Chair of that Group first.
- G. A visiting member should visit on the same basis as a regular visitor, i.e. no more than twice in a six-month period.

XI. **Communications/Contact Information**

- A. Group emails may only be sent for the purposes of the group. No solicitation emails to group members are permitted.
- B. To guard contact information for the benefit of the members, rosters will not be distributed at meetings, but will be emailed by the Secretary.

XII. **Administrative Policies**

- A. The annual BRG dues are \$175 and are due upon submission of an application for membership and then on the anniversary date of a member's acceptance annually.
- B. Renewal membership dues are payable 30 days prior to the member's membership anniversary date. *Failure to pay in full before the anniversary date will result in a \$20 late charge. If fees are not paid within 15 days thereafter, the membership will be terminated.*
- C. All dues and other fees are non-refundable.
- D. Dues and fees cannot be transferred from one person to another, unless the dues and fees were paid by one company employing both persons, which company is a Chamber of Commerce member.
- E. Returned checks will be subject to a minimum \$25 returned check fee. If a member passes a second returned check, that member will be subject to immediate termination.

XIII. **Definitions**

- A. Face to face meetings

- C. Referral Types

 - Warm Referrals** Contact may not need your service but would like to hear from you
 - Hot Referrals** Prospect has discussed doing business with you; contact immediatelyWhile both are welcome, hot referrals are always the best!

XIV. **Multi-Level Marketing**

- Multi-level marketing members of BRG should represent their products and services and not the business opportunity element of their business.

If an attendee or participant, in either real or virtual space, engages in inappropriate, harassing, abusive or destructive behavior or language, the BRG and CHAMBER staff will determine and carry out the appropriate course of action, including warning the offender, expulsion from the BRG with no refund and/or banning the offender from future CHAMBER events and activities. Referral Groups are dependent upon full and active participation of their respective members.
