Elk Grove Chamber PAC Announces Endorsements for 2020 General Election

Contact: Angela Perry at 916-691-3760

The Elk Grove Chamber Political Action Committee (PAC) is pleased to announce our endorsements for the November 3, 2020 General Election. Our PAC, Chaired by Waldo Herrera, kicked off a process which entailed a comprehensive questionnaire followed by remote candidate interviews. The interviews took two days to complete and afforded our PAC Board the opportunity to ask questions, understand candidate perspectives and take questions directly from the candidates. The list of our 2020 endorsed candidates are as follows:

City of Elk Grove Mayor:	Bobbie Singh-Allen
Elk Grove City Council District 1:	Darren Suen
Elk Grove City Council District 3:	Kevin Spease
Los Rios Community College District 4:	Kelly Wilkerson
Los Rios Community College District 7:	Scott Schmidt

Tuesday night the Elk Grove Chamber PAC in partnership with the Elk Grove Citizen hosted a Mayoral Candidate Debate. We were saddened and disappointed that some took this as an opportunity to cause disruption and chaos. We are most disheartened that Elk Grove residents were not afforded the opportunity to hear from all the candidates, they deserved that opportunity. As a result of the behavior of the protestors, we will not post the video as intended due to the inequity of comprehensible responses from 2 of the 3 candidates.

We encourage all residents in Elk Grove to get out and vote! Elections are critical opportunities to have your voice heard.

EGCPAC was formed in 2005 as an independent organization created specifically to improve the local economy through participation in the political process. The PAC works to protect business and employment interests by identifying and campaigning for pro-business candidates running for local and state legislative seats. The nonpartisan PAC is a completely separate organization from the Chamber and the endorsements do not reflect the opinions of the Chamber's officers, staff, or its members. Its decisions represent those of the EGCPAC Board. The EGCPAC serves as a vehicle for the business community to have a greater voice and impact on legislative campaigns and is supported completely by voluntary contributions of the community.

EGCPAC is organized as a political action committee under the laws of the State of California, ID #1285600. Contributions or gifts to EGCPAC are not tax deductible.
