

business **REFERRAL** groups

our
mission

to generate business opportunities
for **ELK GROVE CHAMBER MEMBERS**
through **BUILDING** and **STRENGTHENING**
professional relationships in a non-competitive
and mutually supportive environment

Elk Grove's marketplace is full of great products and services. With very few exceptions someone else is selling or about to sell your product or service. Success or failure rests on gaining a competitive edge. This is where the resources of Referral Groups have helped so many professionals.

By joining a Referral Group you will gain access to a diverse talentpool that you can turn to for insights and expertise. Following are the core competencies that guide the Chamber's Referral Groups:

PROFESSIONAL DEVELOPMENT

Perfect your sales presentations, speaking skills, marketing plans, selling techniques and many other skills. By capitalizing on the varied abilities of your peers you will become more polished and greater able to achieve results.

STRATEGIC PARTNERSHIPS

Focus on uncovering and identifying your power partners. History has proven this process to be a quick and meaningful way to build business relationships.

REFERRALS

As the most sought after benefit of each Referral Group, receiving referrals cannot be rushed. Meaningful referrals are rarely exchanged without an investment in professional development and personal capital, which is why joining a Referral group will place you on a better path to success.

The concept of closed networking is phenomenal. I have belonged to such a group for years and found great success. To add this concept to a Chamber of Commerce membership is ideal. Referrals come in, and then those referrals generate new business. I love working this way!

FAQ

WHAT IS A CLOSED REFERRAL GROUP?

Closed Referral Groups are lead generation and referral networks limited to one business per industry in each group. Their success is based on trust, commitment and referrals. A successful Referral Group has committed members who attend meetings regularly, develop trusting and professional business relationships, and pass quality business leads and referrals.

WHO JOINS A REFERRAL GROUP?

Elk Grove Chamber of Commerce Referral Groups are comprised of members from non-competing industries who are business owners, managers, sales and business professionals. Participation is open to all members of the Elk Grove Chamber of Commerce in good standing, for a fee of \$175 a year.

WHAT ARE THE BENEFITS OF JOINING A REFERRAL GROUP?

- Pass and receive referrals and leads
- Increase business
- Gain exposure to like-minded professionals
- Make presentations to encourage deeper understanding of each member business
- Become educated through member expertise and experience
- Gain business knowledge from guest speakers
- Meet and develop strategic business partners
- Create lifetime connections

WHAT'S DIFFERENT ABOUT THIS PROGRAM?

Unlike other Referral groups, the Elk Grove Chamber of Commerce Referral Group Program offers an opportunity that is:

- Without pressure
- Affordable
- Profitable
- Motivational
- Educational
- Supportive
- Business connections
- Relationship building
- Business development focused
- Convenient, with a central location provided
